

## 2026 Affirmation – Year of Expansion

I boldly and faithfully declare that **2026 is the Year of Expansion**.

Acts 16:25–26 sets the biblical standard that will shape this year.

This year, I declare a **DIVINE CONFRONTATION** on my behalf.

God is confronting systems, structures, and strongholds that no longer have permission to hold me back. I will not be shaken by the shaking, because I know God is not tearing down my future—He is preparing the way for my success and for His glory. I will stay focused on Jesus through prayer, praise, and worship, trusting Him to transform my life according to His will.

In 2026, God will **DISRUPT CONFINEMENT**.

Every door that was sealed shut will open suddenly and immediately for me and those connected to me. The chains that restricted my movement will fall off, and I will no longer be bound by fear, limitation, or trauma. What once restrained and delayed me has lost its power. I will walk confidently through every door God opens, pursue new goals, and step boldly into who He created me to be.

As I walk in freedom, my life will **DISPLAY CHRIST**.

What God has done in me will shine light into dark places and point others to Jesus. I am a Kingdom ambassador, freed so God's glory can be revealed. I am an heir to God's promises, and my life will reflect His love, mercy, and grace. Through my testimony, others will come to know Jesus.

In 2026, I am no longer playing small.

I believe what God says about me. I will dream big, think big, and trust God for big miracles, signs, and wonders. Because I serve a big God, my life will reflect His greatness.

I am finished with fear. I have faith.

I am stepping out of the boat and declaring that I am a **water walker**. I will do all that God has placed in my heart to do. I will not hesitate. I will not shrink back. I will not hold back.

As a result, my faith will expand.

My finances will expand.

My giving will expand.

My church family will expand.

Most importantly, people will come to know Jesus, and the **Kingdom of God will be expanded**.

This year of expansion is for me, my family, my Kingdom leadership, and my church.

In Jesus' name. Amen.
